# IMPORTANT THINGS - HOMEWORK

- Homework is due one minute before class
- Upload homework to GitHub, post link in Google Classroom Assignment
- You should have code to look at every class
- If I can't see results, I at least want to see progress

# IMPORTANT THINGS - GRADES

## Your Class Grade

A: **Exceeded Expectations.** This is the rare student who consistently surprises you and pulls the class up.

B: **Met Expectations.** Did all of the assignments. Most were good.

C: **Approached Expectations.** Maybe this student completed every project, but none were surprising or smart. Or they really only committed to doing a third of the assignments well. NOT good enough for a B.

D: **Needs attention; not competitive.** Either trying and failing, or failing to try.

F: **Failed** to show talent, drive or interest. Needs to reconsider coming back next quarter.
